

December 2016 MYF Update

Youth Leaders Begin Book Reviews

Over the next couple of months, the members of our Youth Leadership Team will be sharing book reviews with the MYF Youth during our meetings. They are each reading one book of the New Testament

and one Christian book from our MYF Library (either Fiction or Nonfiction). This past month Tayler Hobbs reported on the Gospel of John and on a book called “The Chase” by Kyle and Kelsey Kupecky.

T-Shirt Sales

Wouldn't it be fun if our entire congregation had matching t-shirts? This would be a great way to share God's word and publicize New Fountain United Methodist Church in the hopes of reaching others in our community. You now have the opportunity to purchase a shirt from the MYF youth as part of their fundraising efforts as they save for their mission trip during the Summer of 2017. They will take **pre-orders along with your pre-payment** on t-shirts during the month of December and early January. You can buy for you, your family and friends and even those you may want to invite to our church! Please see Jennifer LaPorte if you have questions. An order form is included in this month's newsletter and will also be available after worship services throughout the month of December and early January. See the front and back designs below.
