Summer Chrysalis News

For those of you familiar with Emmaus, there is a similar experience for upper high school students, **ages 15-19**, called a Chrysalis flight.

A Chrysalis flight is intended for young men and women to deepen their relationship with Christ. Youth should be open and willing to participate in discussion and self-reflection to make Chrysalis a meaningful experience.

There are two flights this summer in Uvalde.

The dates are:

- **Girls:** Thursday morning, June 25th- Saturday afternoon June 27th at Uvalde UMC
- **Boys:** Thursday morning, July 23rd- Saturday afternoon July 25th at Uvalde UMC

The cost is \$75 and there are MYF funds available to be used to pay for this application fee for youth who are interested.

Each youth does need a sponsor, and if a youth doesn't have one then we can arrange for one.

Please let Jennifer LaPorte know by May 1st if you would like further information or if your son or daughter would like to attend. This allows sponsors time to take care of some preliminary preparation for these flights.
