

# DECEMBER 2020 MYF UPDATE

## Looking Back: November MYF:

In November the youth had another Zoom meeting focusing on the book “Identity: 31 Verses” along with the DVD “Selfie Dad” starring Christian comedian Michael Jr. which they are encouraged to watch with their family. The youth also received items in their MYF box such as a Psalms Adult Coloring book, bookmarks (1 with the Footprints poem, another for praying for our elected officials and another to show Praise) and snacks to enjoy during their Family Movie night.

## Looking Back: November Service:

In November the youth were encouraged to do two service projects aligning with our theme of “Feet” for this month. Youth were asked to donate NEW shoes to HANK (Helping Abused and Neglected Kids). In addition, the youth were challenged to conduct a Foot Washing service for their parents and were given directions and supplies for carrying out this meaningful act of service.

## Upcoming: December MYF:

In December our focus will be on Advent. Our MYF box is filled items to lead Advent devotionals during the month of December. In addition, youth will be given a DVD of the movie “The Nativity” to watch with

their family so that they can prepare their hearts for Christmas. Next month newsletter will detail more about what the youth have done during the month of December to include their service activities.

## COVID related Cancellations:

Due to COVID the youth will not be going to the nursing home to ring handbells for the residents in December.

Historically the youth also assemble the Fruit Bags that are given out during our church Christmas Eve service. This may be handled differently this year. If that changes, then I will let the youth know.
