

JANUARY 2021 MYF UPDATE

Looking Back: December MYF

In December the youth had another Zoom meeting focusing on the book “Unwrapping the Names of Jesus.” Youth were also given a DVD of the movie “The Nativity” which they were encouraged to watch with their families. The youth also received items in their MYF box such as a 1000-piece puzzle of a nativity scene to encourage family time during this season of advent, a set of nativity cookie cutters to be used to make cookies for someone they know, a couple of song books to use for caroling, a prayer card to assist youth in praying for their family this month and some fuzzy socks and Christmas candy to enjoy!

Looking Back: Service Activities in November and December

In November the youth were encouraged to reach out to friends and family for donations of NEW shoes for children and youth served by HANK (Helping Abused and Neglected Kids). In total, 39 new

pairs of shoes were collected and donated!

In addition, the youth were active in December as they led their families in Advent devotionals at home, baked and distributed cookies and spread cheer through caroling!
