Mission Trip 2017

We are going to be travelling to Orlando, Florida and joining with teenagers and adults from all over the country to not only impact a community in need, but make a real connection with Jesus. Our youth will have an opportunity to make new friends and to put their faith in action! The theme for our week is "The Road" based up the Emmaus story from Luke 24. After our week of service we will visit a couple of Disney theme parks to celebrate both the conclusion of our school year and what is sure to be a successful mission trip! Thank you, church congregation, for supporting us financially and covering us in prayer!
