
August 2018 MYF Update

MYF Kicking Off Soon

Regular MYF Meetings will start again at the start of the 2018-2019 School year. We meet on the 2nd, 4th and 5th Sundays of each month. Youth who will be entering 7th grade though incoming High School Seniors are invited to attend. Please let Jennifer LaPorte know that you are interested and she will give you further information about the program. Jennifer can be contacted at jenn.laporte@gmail.com or by phone at 830-931-4618.

Remind 101

One of the ways we update parents and youth on MYF happenings is through Remind 101 which is a text messaging app that helps the Youth Director, Youth Leaders, students, and parents communicate quickly, efficiently and safely. Existing MYF Youth are likely still signed up for the app as we used this last year. New MYF youth and parents are encouraged to join by following the steps noted in the box to the right.

MYF Lessons for 2018-2018

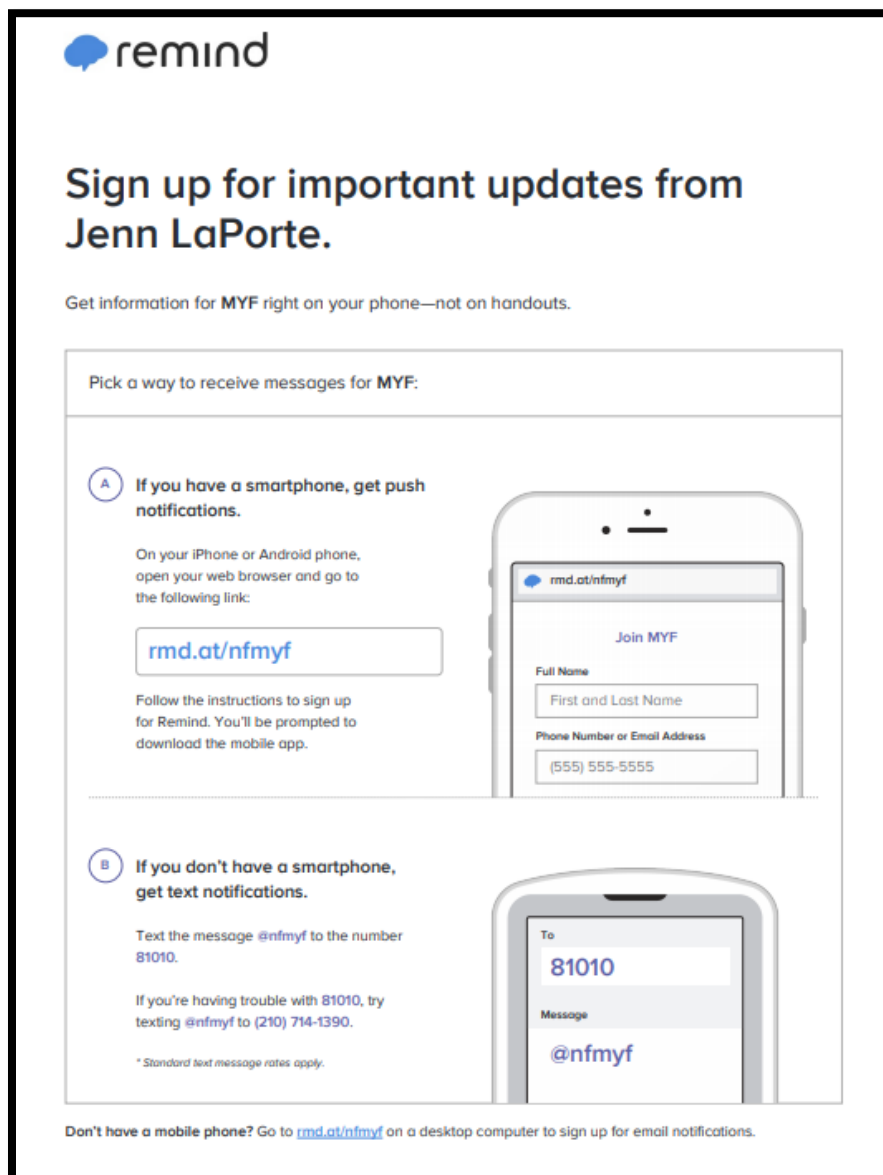

This coming school year our theme for our lessons will be "Emotions." We will discover the roles our emotions play in our thoughts, actions, relationships with others and in our relationship with God.

Youth Sunday

Thank you to the youth who assisted with being greeters on the last Sunday in July during worship.

Youth Leadership Team

Youth in grades 11-12 who are interested in being a part of the Youth Leadership Team need to contact Jennifer LaPorte by the end of August.

The graphic is a promotional poster for the Remind 101 app. At the top left is the Remind logo, a blue speech bubble with a white dot inside, followed by the word "remind" in a lowercase, sans-serif font. Below the logo is the main heading "Sign up for important updates from Jenn LaPorte." in a large, bold, black font. Underneath the heading is a sub-heading: "Get information for MYF right on your phone—not on handouts." in a smaller, regular font. The central part of the graphic is a white box with a thin grey border, titled "Pick a way to receive messages for MYF:". It contains two options, A and B. Option A is titled "If you have a smartphone, get push notifications." and includes instructions to open a web browser on an iPhone or Android phone and go to the link "rmd.at/nfmyf". A blue button with the text "rmd.at/nfmyf" is shown. Below the instructions, it says "Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app." To the right of the text is a smartphone mockup showing a "Join MYF" form with fields for "Full Name" (with a sub-label "First and Last Name"), "Phone Number or Email Address", and a placeholder "(555) 555-5555". Option B is titled "If you don't have a smartphone, get text notifications." and includes instructions to text the message "@nfmyf" to the number "81010". It also provides a troubleshooting tip: "If you're having trouble with 81010, try texting @nfmyf to (210) 714-1390." Below this is a smartphone mockup showing a text message interface with "To: 81010" and "Message: @nfmyf". At the bottom of the white box, it says "* Standard text message rates apply." Below the white box, outside the border, is the text "Don't have a mobile phone? Go to rmd.at/nfmyf on a desktop computer to sign up for email notifications."
